15 YEAR OLD, JOINS SOCCER UNIVERSITIES IN 2021

OLLIE OBSTLER

INSPIRED THE
SU-PATH TO
PRO-ACADEMY
PROGRAM

Ollie came to SU on a recommendation from a friend. I was asked to evaluate him and suggest the next steps to continue his soccer development here in the US. Initially we were hesitant to bring in Ollie, who at 15 years old, 5ft. 5 inch tall and 124 pounds, would be playing with lads 3-5 years older, and 50 lbs heavier. However, after watching his film highlights one could see the potential and we extended the invitation to come to Orlando for a couple of days resulting in him joining the program.

From the first day, it was clear that we had a special player in our midst. While maintaining academic rigor, he proved he could cope with the professional demands, on and off the field, expected of players competing at that level.

Given the positive experience with Ollie, we decided to lower the age group to u16 and u17 for this coming year, launching a pilot program for Soccer Universities "The Path to Pro Academy". The program includes specific modifications including competing with age appropriate international professional academies connected to the pro teams and additional structure & support for online class work.

Ollie has been the inspiration for this age group, earning the respect of his coaches and peers. Furthermore, he has grabbed the attention of several professional clubs, including one of the elite teams in the Bugarian top division - stay tuned for further news!

Matt Driver
CEO - Sporting Director

Ollie gained a significant 13lbs in muscle after joining our program after only 6 months. We worked on his running form, his core strength and increased his ability to ride tackles and explode into space which is key for midfielders.

OVERVIEW – SUMMARY

GAIN YOUR HS DIPLOMA WHILE YOU CONTINUE TO FOLLOW YOUR DREAM IN PROFESSIONAL SPORTS

A SPORTS FORWARD EDUCATION MODEL A DUAL PATHWAY

MULTIPLE EDUCATION PARTNERS WITH BLENDED AND NON-BLENDED PROGRAMS

DOMESTIC AND INTERNATIONAL APPEAL WITH A GLOBAL MARKET AND DESIRE

OVER A DOZEN WORLD CLASS FACILITIES AND BEST IN CLASS PROFESSIONAL COACHING STAFF

MULTIPLE PARTNERSHIPS AND PATHWAYS FOR PLAYERS AT EVERY AGE TO GO PROFESSIONAL IN VARIOUS SPORTS

TRADITIONAL HIGH SCHOOL VS SU-ONLINE HS

- Malcolm Gladwell said "It takes 10,000 hours of practice to master a skill." This underpins SU's approach to practice as we train two times a day, five days a week and for 40 weeks a year with consideration for Games and Recovery time.

This is not preparing you for the next level, this is **The Next Level**. This is what is expected when you are at an international professional football club academy.

- Your SU - Online High School Path to Pro program offers self paced learning programs - Giving you more time on the field.

Our Educational Programs are flexible and can offer blended learning opportunities as well as synchronous and asynchronous education programs.

- Why restrict yourself to one location for 4 years? SU offer you the option to travel to multiple locations in the US and overseas, providing the study abroad experience, as we work to create a broader opportunity to be scouted and alongside professional soccer clubs.

We take the luck out of recruitment by creating the right time, the right place and by getting the right scouts, coaches and competition there for you - now you have to bring the Right Performance!

STRUCTURE OF THE PROGRAM

THE STRUCTURE OF THE SU – ACADEMY PATH TO PRO PROGRAM IS AS FOLLOWS.

- July 7th USA Check in for Preseason at the National Training Center in Clermont, Orlando Fl.
- August 18th Depart for Bulgaria, training alongside Division 1 CSKA Sofia in Bulgaria competing against the top academy teams in Bulgaria.
- October 6th Travel to Greece, training with and alongside Super League 2 Iraklis FC competing against the top academy teams in Thessaloniki.
- Return November 24th for the Winter Holiday break with the family prior to heading back to Florida after the New Year.
- January 8th Return to the National Training Center, staying in Kissimmee, FL, during which time we will compete in as many of the organized showcase events as possible.
- March 5th Fly to Italy and to our European HeadQuarters. We play against Serie C club Mantovas academy and other Italian professional club academy programs.
- April 17th Arrive in Croatia and train alongside Dinamo Zagreb's academy teams and compete against other top tier professional academies in Croatia.
- May 24th return to USA – Summer break.

Note: This is a sample schedule and subject to change.
